

## **Pisa e Lucca**

This half-day proposal with departure from our B&B takes you to Pisa and Lucca through the wonderful Tuscan countryside. To begin, discover the magnificent architecture of Piazza dei Miracoli, a UNESCO World Heritage Site. Get in the pose and take some photos with the famous Leaning Tower and deepen your knowledge on the construction of this famous monument. On the way back we will stop in the characteristic city of Lucca, with its walls still intact, where it will be possible to rent bikes or take a walk in the center and in the famous oval square.

A trusted person will accompany you on this out of town trip. Drive through the rolling hills of the Tuscan countryside to Pisa. Cross the calm waters of the Arno to reach Piazza dei Miracoli, a square with large gardens dominated by 4 sacred buildings built at the beginning of the 11th century. On the way back, there will be a stop with free time in Lucca with the possibility of lunch in one of the restaurants in the historic center.
